

Bethesda Hospital

Registered Nurse, OR Float

Indefinite Term, Part-Time, 0.8 EFT

“This is an indefinite term position which may expire subject to twenty-four (24) hours notice.”

Union: MNU

Division: Nursing – Predominantly Operating Suite & Post Anesthesia Care Unit/
Same Day Surgery Unit/Pre-op Clinic

Shift: 8.25 hr shifts, Day with regular on-call rotation

Wage/Salary: As per collective agreement

Job Summary: Preoperative nursing reflects nursing practice in general, but is unique in that the primary focus is the clinical nursing care provided for the patient undergoing surgical intervention. Preoperative nursing provides continuity of care preoperatively, intraoperatively and postoperatively to meet individual needs through the nursing process.

The Registered Nurse is accountable for the delivery of nursing for patients pre-operatively, and prior to and following surgical intervention, and carries out this responsibility under the provision of the Registered Nurses Act, the philosophies, objectives, policies and procedures of South Eastman Health District and in accordance with the CRNM standards of care.

The Registered Nurse provides leadership to other nursing team members to accomplish the plan of care.

Qualifications:

- Current registration with the CRNM
- Two (2) years equivalent full-time experience in clinical area within the past five (5) years
- Current BCLS certification, ACLS certification preferred
- Demonstrated participation in educational activities
- Demonstrated ability to work with minimum supervision
- Demonstrated ability to establish and maintain positive working relationships
- Demonstrated ability to effectively perform the tasks and responsibilities required of the position
